## GOVERNOR'S OFFICE OF PLANNING AND BUDGET Resource Development Coordinating Committee

John A. Harja  
Executive Director

April 27, 2005

Lynn Kunzler  
Division of Oil, Gas and Mining  
1594 West North Temple  
PO Box 145801  
Salt Lake City, Utah 84114-5801

SUBJECT: Green Peak Mine - M/003/060 - I and P Investments  
Project No. 05-5078

Dear Mr. Kunzler:

The Resource Development Coordinating Committee (RDCC) has reviewed this proposal. The Division of Air Quality comments:

The proposed project is subject to Utah Air Conservation Rule R307-205-5, Mining Activities, since fugitive dust emissions will be generated during mining activities. A permit, known as an Approval Order, is not required solely for the control of fugitive dust, but steps need to be taken to minimize fugitive dust, such as, watering and/or chemical stabilization, providing vegetative or synthetic cover and windbreaks. A permit application, known as a Notice of Intent, should be submitted to the Executive Secretary at the Utah Division of Air Quality at 150 N. 1950 West, Salt Lake City, Utah, 84116, if any on-site crushing of stone occurs according to Utah Air Conservation Rule R307-401, Permits, Notice of Intent and Approval Order. A copy of the rules are found at [www.rules.utah.gov/publicat/code/r307/307.htm](http://www.rules.utah.gov/publicat/code/r307/307.htm)

The Committee appreciates the opportunity to review this proposal. Please direct any other written questions regarding this correspondence to the Resource Development Coordinating Committee at the above address or call Carolyn Wright at (801) 537-9230 or Kim Frost at (801) 538-7326.

Sincerely,

John Harja  
Executive Director  
Resource Development Coordinating Committee
